English – Intermediate

Russian – Native

Polish – Pre-Intermediate

SUMMARY

As a Junior Full Stack Developer, I will happy to be involved to work in a dynamic and collaborative team. I am growing in the following tech skills such as HTML, CSS, JavaScript and developing with React, React Native and Node.js. I have experience with version control systems like Git. I am a quick learner and am always eager to expand my knowledge and skill set.

PROJECT EXPERIENCE

ICECREAM, LINK

[Parcel, SCSS, JS]

Ice company website with responsive layout, burger menu, modal window and attractive design. Role: developer. Work with the header, adaptive layout and animation.
